Code: E.G. MA30121975..... Date.....

Mark 'X' in only one circle applicable to you. Male Female Prefer not to say
non-binary Other

Mark "X" in the circle against one choice applicable. A Prequestionnaire: or
A Post questionnaire

This is not a test, and you will not be "marked" on your responses. This assessment will help us to find out what you already know and think about the topics that will be discussed at the workshop.

It will also help us to find out what you know and think after completing the workshop.

Specific Instructions: Please respond to all the questions by placing a mark "X" inside the box of your choice under the choices "Agree", "Strongly Agree", "Disagree" or "Strongly Disagree" or Yes, No, Not Applicable (NA).

Questionnaire

Gender Norms: Rights and Privileges of Men

	Issue	Agree	Strongly Agree	Disagree	Strongly Disagree
1	It is important that sons have more education than daughters to better look after their parents when they are older.				
2	A woman should take good care of her own children and let men take care of business-related matters.				
3	Women's Empowerment means freedom from family domination because of total reliance on them.				
4	Husband/other family members took your money/land/livestock/jewellery when you didn't want him to.				
5	Husband/other family member prevented you from working outside the home.				
Economic security and contribution subscale items					
6	Do you, in your own name, own any land, your homestead, or your house?				
7	Do you yourself own any productive assets (for example, cattle or sewing machine)?				
8	Do you have any cash savings?				
9	Have you ever used your savings for business or moneylending?				
Women's economic knowledge gateway (Business support, career development, education and training, enterprise development)					
10	Demands of women's family roles are considered when scheduling training and education and mentoring programmes targeted at women and men.				
11	I am aware of outreach initiatives undertaken by government and the private sector organisations to empower women to become business owners and/or promote women's entrepreneurship in the last 12 months.				
12	I know of women-owned enterprises that have been equipped with entrepreneurial skills to successfully bid for contracts in the future in the past 12 months?				
13	I have been exposed to employability related skills in the past 12 months.				

14. Please tell us what you feel you gained from being part of this workshop:
